Out of School Care for Remote Learning

The Hopewell Valley YMCA is here for you!

Since the Hopewell Valley Regional School District is moving to 100% remote learning during the week of November 30th, the Hopewell Valley YMCA will be offering Out of School Remote Learning Program at Stony Brook Elementary for all HVRSD families. Registration is limited and will be on a first-come, first-served basis. Additional dates will be added should future All-Remote Learning only periods be required.

Out of School Care will only be operated at Stony Brook Elementary School from 7:00AM-6:30PM (PLEASE BRING YOUR ID every day for parent pick-up)! Tuition is \$50 per child per day for this program. Please remember to include a PACKED LUNCH & a WATER BOTTLE for your child/children every day. An afternoon snack will be provided. All children must be escorted to and from the front entrance of the building (Stephenson Road) each day by a parent/guardian in order to complete the Department of Children and Families Office of Licensing health screening to be completed before the child enters the building. Masks must be worn at all times; however, mask breaks will be provided. Each child should also bring their HVRSD Chromebook along with a pair of headphones each day they are attending as multiple people on devices is very difficult without headphones. Children should have all passwords and login information to access e-Learning assignments or homework packets with them. The YMCA staff will provide assistance with Zoom meetings but we do not have access to see each child's account. All items should be clearly labeled. Please check our website each day for updated information on this program.

Current Offerings:

Monday, November 30	Tuesday, December 1	Wednesday, December 2
Thursday, December 3	Friday, December 4
